The subject of the meeting of Feb. 11 was the Disarmament problem. Mr. Roberts gave an address in which he outlined what has been done in the matter, and explained the purpose of the present Disarmament Conference. Mr. N. Burke spoke on factors which would retard the solution of war, and the human time of fighting, misdirected patriotism, and the effect of munition literature, being in the vile hands. The active discussions following each talk enlarged on points which were but lightly touched on by the lecturers.

The interludes were a song by Mrs. Roberts, and a reading by Mrs. May; both were greatly appreciated.

The next meeting, Feb. 18, will consist of an address by Mr. Henry Moorehead. The Green Valley in the Distance"; a Mock Trial, and a few musical selections.
